SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 21, 1962

Board of Selectmen
Rollinsford, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Rollinsford for the fiscal year ended December 31, 1961, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Municipal Court.

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1960-December 31, 1961: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1960 and December 31, 1961, are presented in Exhibit A-1. As indicated therein, the financial condition of the Town changed from a Net Debt of $1,096.76 to a Surplus of $861.27 during 1961.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt (Increase in Surplus)		
Long Term Notes Paid	$3,300.00	
Decrease in Yield Tax due State	58.24	
Increase of Cash in hands of Town Clerk	524.46	
		$3,882.70

Increase in Net Debt (Decrease in Surplus)		
Net Budget Deficit	$1,890.42	
Actual 1960 Railroad Tax under Budget Estimate	32.45	
Tax Collector's Excess Debits (Net)	1.80	
		1,924.67
Change in Financial Condition		$1,958.03

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:
(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1961, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of $4,552.87, less a revenue surplus of $2,662.45, resulted in a net budget deficit of $1,890.42.

Summary Statement of Receipts and Expenditures:
(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1961, made up in accordance with the uniform classifications of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1961, is shown in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source in so far as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

It is noted that the Current Surplus (excess of total assets over current liabilities) decreased by $1,341.97, from $9,403.24 to $8,061.27, in 1961, as shown herewith:

	Dec. 31, 1960	Dec. 31, 1961
Total Assets	$75,560.62	$69,129.86
Current Liabilities	66,157.38	61,068.59
Current Surplus	$ 9,403.24	$ 8,061.27

Overdraft of Appropriations and Application of Municipal Budget Law:

It is noted that in the fiscal year ended December 31, 1961, there was a net overdraft of appropriations amounting to $4,552.87. In other words - total expenditures exceeded total appropriations by this amount, as shown herewith:

Overdrafts of Appropriations	$7,367.80
Unexpended Balances of "	2,814.93
Net Overdraft of Appropriations	$4,552.87

In accordance with the provisions of the Municipal Budget Law, RSA, Chapter 32, application should have been made to the Tax Commission by the Board of Selectmen, with the approval of the Budget Committee, for a certificate of emergency authorizing expenditures in excess of budgetary appropriations.

The expenditure for a Fire Department siren system in excess of the Fire Department appropriation, which was authorized by a certificate of emergency issued by the Tax Commission on December 4, 1961, was not made during the fiscal year. Consequently, it has no bearing on the overdraft heretofore referred to.

Payrolls:

The payrolls of the Chief of the Fire Department or any other agent of the Town that disburses Town funds, should either be signed by the employees whose names appear thereon or have cancelled checks attached thereto, as evidence that such employees have been paid. These records should be available to the Auditors when the annual examination and audit of the Town accounts is being made.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Rollinsford for their assistance during the course of the audit.

Yours very truly,

Hugh J. Cassidy, Auditor

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Rollinsford:

The past year in education for the Town of Rollinsford has been, by and large, a good one.

The School Building itself came in for substantial repair and refinishing. The exterior woodwork was given a second coat of paint this past summer and should hold up for the next few years. The roof was repaired, particularly that angle toward the rear of the building above the outside entrance to the boiler room. Ice and snow had caused a condition which resulted in several leaks in the present second grade room. Another roof area that was refinished included the one over the entrance to the gym-auditorium.

This year it is hoped that substantial painting and refinishing will be carried out within the building. Schools, as well as private homes, must be maintained and kept in tip-top condition with all minor problems taken care of before they become major problems requiring substantial expenditures of funds. For example the repair of several roof drains and downspouts has resulted in an elimination of water seepage into the lower classroom areas, particularly the cafeteria and sixth grade rooms which had also been refinished under our overall plan of continual maintenance.

A building such as we have at the present time would require an expenditure of $250,000, or one-quarter of a million dollars, to replace. Good maintenance is good economics.

In the area of the curriculum, we have also continued to progress. A new music series has been purchased to insure the best results from the music teacher who visits the school one day

each week. Science books and materials have also been added to replace worn out and outdated material, which will add to the science offerings in this community. Science has become a daily part of our lives and our children must be prepared to understand, at least in some small way, that the unheard of future miracles will become commonplace occurences in their future daily lives.

A workshop was held in December at the Rollinsford Grade School for all the elementary teachers of Supervisory School Union #56. Mr. Howard Wagner, science specialist for the State Department of Education, introduced the new State Guide for Elementary Science. The Guide will prove to be a significant contribution to the teaching of science and we are indebted to the State Department of Education for its contributions to and the local supply of this Guide.

It is hoped that the area of mathematics or arithmetic can be investigated next year. The semantics and approach to arithmetic is quite different today from that with which we are familiar personally. Arithmetic has a new vocabulary, and a distinct attempt is made to interest the child by having him think originally in this area. It is imperative that our teachers become accustomed to the new methods to insure that our children remain competitive with the eighth grade graduates of other schools.

The proposed school budget has increased in two major areas: salaries for teachers and tuition for the children attending high school. You have heard the following many times; however, it is true that there is no substitute for good teaching. High School tuition is set by others without any real local control -- you do have control over your local situation, and I, personally, state that your school will continue to be only as good as the teachers you have in that school.

This year a new salary schedule has been adopted by the School Board. This schedule is not an elaborate one, but it is hoped that it will meet the needs of the school district.

The remaining areas of this budget have been pared and all increases kept to a minimum without injury to the basic educational program.

I wish to personally thank the School Board for their aid and direction throughout this past year. In addition, Mr. Hatfield, the Principal, deserves my unqualified endorsement of his stewardship and leadership this year, as in the past. The teachers and the school nurse merit a "well done" for their efforts and work. Mr. Lane and Mrs. Wilson are to be commended for their interest and devotion.

In closing, I also wish to pay tribute to the entire Town of Rollinsford for its wholehearted and spontaneous recognition of Miss Bernice Doherty upon the completion of her one-half century of service to the youth of Rollinsford.

This year has been a pleasurable one for me in serving you.

Respectfully submitted.

Rollinsford Grade School
January 15, 1962

To: The Superintendent of Schools
The Rollinsford School Board
The Citizens of the Town of Rollinsford, N.H.

It is again with pleasure that I am able to present to you a report that covers in part some of the activities of the Rollinsford Grade School during the past year of 1961-1962.

OBJECTIVES OF ELEMENTARY EDUCATION

The general function of the elementary school in America can be defined by a group of well-formulated educational objectives that have grown out of the needs and demands of this democratic society.

American Heritage

The first and underlying objective of the elementary school is to assist in the development in every child of a love and appreciation for the rights and privileges, and responsibilities guaranteed by our form of government.

Development of Skills

A contributing citizenship is predicated on the individual acquiring abilities and skills necessary to perform the duties of a worthy citizen. Without the skills of the academic disciplines, the total development of this democracy would be severely limited. A greater, not less competency in the basic skills is needed today, as the complexities of modern living increase.

Wholesome Living

The elementary school shares with the home, church, and other social organizations the responsibility for the development of sound moral and spiritual values. Without well-defined values,

the total sociological structure is threatened. The role of the school is one of improving the behavior of its developing citizens so that their contribution to their culture becomes significant.

The art of group living becomes an ever increasing demand on the elementary school. As people become more interdependent, the need of people of all races, colors, and creeds to live and work together toward common goals is more important.

Physical, Mental, and Emotional Health

The school, more than any other single agency, has the responsibility for insuring the adequate physical development of the young child. An organized program of physical activity leading toward physical health is of the utmost importance.

While mental and emotional health are problems of concern to our total society, elementary school educators alert to the factors of child growth and development, will make a great contribution in the direction of secure, undisturbed lives of our children. The elementary school must provide the facilities and services to protect the health and welfare of the boys and girls.

Development of Individual Aptitudes, Abilities, and Interests

In a democratic society, the school is responsible for providing an adequate educational program, within which framework all students may become all they are capable of becoming. Because our complex society has a need for many types of citizens to perform its functions, pupil interests should be so developed that they may lead to helping the pupil achieve a satisfying worthwhile life.

The objectives of elementary education must be met by all schools because the pupil's years in the elementary school are the years when the foundation for all the future living of thechild is built. As social and economic change takes place, the schools must be prepared to change and adapt their individual philosophies and objectives to best serve the children who will become citizens within the society.

FACULTY

During the past year there have been two changes in the Faculty of the Rollinsford Grade School. The first was occasioned by the non-signing of her contract for this year by Mrs. Patricia Wilson, the teacher for Grade 1. Mrs. Wilson left the employ of the School to accept a much better paying position with the Portsmouth School System at Pease Air Base.

The Rollinsford School System was very fortunate to be able to fill this vacancy in the faculty by hiring Mrs. Greta Benoit of South Berwick, Maine. Mrs. Benoit formerly taught in Rollinsford for three years and is well known to many people. We are happy to have her back.

The second vacancy in the faculty occurred when Mrs. Joanne Dibbins resigned in December. Mrs. Dibbins had been hired to teach in the second grade. During the year her husband obtained a position in Boston and both she and her husband moved to Ipswich, Mass.

The second grade is now being taught by Mrs. Ethel Ives, of South Berwick, Maine. We are indeed fortunate to be able to obtain her services at this time of the year when competent, capable, and certified teachers are not available.

By referring to the Faculty Data Sheet all statistics regarding the members of the faculty may be found.

We are again most happy and appreciative of Mrs. Arlette MacIntyre's generosity. She gives her services in teaching penmanship and art to grades 6-7-8. The people of the School District should be most appreciative of her excellent services.

During the past year, as well as during the coming year, we are fortunate to be able to take advantage of two student teachers from the University of New Hampshire. These student teachers fill in an excellent manner a void in our curriculum, that of physical education. These students fill this need capably and well, serving the needs of the school in an excellent fashion with no pay whatsoever. Again, the people of the Town should be most appreciative of their donated services.

ENROLLMENT

While neither of the rumored trailer parts have been established as yet, the Rollinsford Grade School has a sizeable enrollment. During the past year we have had a total enrollment of Two Hundred and ten pupils. The distribution of these children may be seen by reference to the Enrollment Table.

SCHOOL LUNCH PROGRAM

The lunch program of the school is under the direction of the very capable Mrs. Barbara Wilson. Mrs. Wilson serves in the dual capacity of dietician and cook. She is assisted in her duties by Mr. Willis Lane.

Since the menus of the school are published weekly in the paper, I will not discuss them here.

The following is a summary of the School Lunch Program:

ANNUAL TOWN MEETING

Mr. Edgar Gray, Moderator, opened the Annual Town Meeting at 8 P.M. He gave the results of the voting of the day. 193 votes were cast. Eugene J. Berube received 172 votes for Town Clerk, Charles W. Jackson 168 for Town Treasurer, and Roland Sullivan 168 for Chief Engineer. For the office of Selectman Mr. Edward J. Hudon received 126, and Douglas Rollins 57 votes, thus making Mr. Hudon the Selectman for the next three years. The four officers elected were then sworn in by the Town Clerk, Mr. Berube being sworn in by the Moderator. Voting then began on the Articles in the Warrant.

ARTICLE 2. To see if the Town will vote to accept the Budget as prepared and submitted by the Budget Committee.

Mr. Joseph Chabot made a motion to accept the Article as read, seconded by William Cook.

Mr. Gray felt that the Article in the Budget pertaining to a reserve of $1,000.00 for radios for the Fire Department should be explained and there was considerable discussion. After several motions were made which were not seconded, or were not proper, the Moderator ruled that we go back to the original motion, and suggested an amendment to this motion to make an actual expenditure for the year for the entire cost of the radios. Mr. Ovide R. Viel then made a motion to amend the original motion to increase the Fire Department appropriation by the amount of $2,766.75 to purchase three radios for Fire Department use. This was seconded by Alfred Morin, and unanimously voted in the affirmative. The Fire Department appropriation now reads $5,891.75.

Mr. William Cook made a motion to specifically earmark this money for radios, and this was seconded by Mrs. Rollins. Motion carried.

The Moderator then declared that the item labeled "$1,000.00 reserve for the Fire Department" was therefore removed from the Budget.

Original motion was put to vote and was unanimously approved.

ARTICLE 3. To choose all other necessary Town officers for the ensuing year.

Surveyors of Wood & Lumber

Alfred Morin made a motion that the present members be reelected. Seconded by Delphis Roberge. Motion was put to vote and was unanimous. The following are the Surveyors of Wood & Lumber for the ensuing year:

Edwin Brown	William Sullivan
Raymond Chase	Albert Viel
Joseph Labrecque	Ovide R. Viel

Auditors

Due to the State Tax Commission auditing the Town books each year the Selectmen recommended that the Auditors be eliminated. Mr. Chabot made this a motion, seconded by D. Roberge. Vote was in the affirmative.

Trustees of Trust Funds

Present incumbents:

Edward J. Hudon
Charles W. Jackson
H. Hall Roberts - term expiring

Mr. Chabot moved, seconded by Alfred Morin, that H. Hall Roberts be reelected. So voted.

Parks & Playgrounds

Present Incumbents:

Joseph Levesque
Harold Page - term expiring

Ovide R. Viel made a motion, seconded by Mr. Louis Ebbson, that Harold Page be re-elected. Motion carried.

Mr. Planche made a motion that we vote by show of hands. Seconded by Mr. Toussaint. Motion carried, and the vote showed Mrs. Senechal received 36, Fred Green 17, Kenneth Bolduc 2; therefore Mrs. Senechal was elected to the Budget Committee for one year.

Fence Viewer

Mr. Morin moved that the T. Clerk cast one ballot for Bliss Garvin for this position. Seconded by Eugene Berube. So voted, and the Town Clerk cast one ballot for Bliss Garvin.

ARTICLE 4. To see if the Town will vote to allow a discount of 2% on all taxes of the 1961 levy except poll taxes, paid within thirty days after presentation of Warrant to Collector.

Mr. Leuchs moved that this Article be adopted as read. Seconded by Mr. Chabot. Motion carried.

Mr. Viel moved, seconded by Mr. Ebbson, that Article 6 be accepted as read. Motion carried.

ARTICLE 7. To see if the voters of the Town of Rollinsford will vote to revoke its previous adoption of the non-Partisan Ballot System. (By Petition)

Mr. Chabot moved that Article 7 be accepted as read. Seconded by Mr. Leuchs. There was discussion between Mr. Chabot, Mrs. Fred Green, Mrs. Desjardins and Mr. Cook, and then the motion was put to vote. Motion was defeated and the non-Partisan Ballot remains for 1961.

ARTICLE 8. To see if the Town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old Age, Survivors and Disability Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of $217.00 to defray the town's share of the cost thereof.

Mr. Hudon moved that Article 8 be accepted as read. Seconded by Mr. Berube. Motion carried.

ARTICLE 9. To see if the town wishes to exclude from the plan services in any class or classes of positions filled by popular election.

Mr. Roberge moved that Article 9 be accepted as read. Seconded by Mr. Morin. Vote was in the affirmative.

ARTICLE 10. To see if the town wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

Mr. Cook moved, seconded by Mr. Ebbson, that this Article be accepted as read. Motion carried.

ARTICLE 11. If a plan for Social Security is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the officer to be responsible for the administration of the plan.

Mr. Morin moved that Article 11 be accepted as read. Seconded by Mr. Hudon. Motion carried.

ARTICLE 12. To see if the Town will vote on disposing of the Ford Town Truck, two snow plows, and also

a lime spreader, for which the Town has no further use.

Mr. Chabot made a motion that this Article be accepted as read. Seconded by Mr. Morin.

Mr. Viel moved to amend the motion to eliminate the two snow plows, seconded by Dr. Peter Lampesis. Motion carried.

Original motion was put to vote and was in the affirmative.

ARTICLE 13. To see if the Town will vote to change the name of Tifft Road to Pinch Hill Road. (By Request)
